

MEMORIAL GARDEN at ETZ CHAIM

A personalized brick in the Memorial Garden is a beautiful, permanent way to remember a loved one. Bricks are engraved with the dedication of your choice and are not exclusively for those who perished in the Holocaust.

Each brick can be inscribed with 3 lines with a maximum of 20 spaces per line. Your inscription must fit into the boxes below. Hebrew letters may be used. Place one letter in each block.

Many symbols are available and some are listed below; please inquire if you have a special request. The symbol will appear in the shaded area, so if a symbol is used, the number of letters available for the dedication is limited to 15 per line.
