

WHO IS SILLY GOOSE?

Children have their own unique silliness that we want to bottle up & save forever. While we can't stop them from aging, we can capture your goose's silliest moments at home & at school. With over a decade of experience in photographing families, Silly Goose is taking a new approach to school & family photography to provide you with images of your flock in their natural state.

ON YOUR WALLS, NOT IN YOUR WALLET

We know each child is a work of art, so we strive to provide photos that belong on your walls. School & family photos shouldn't be relegated to your wallet. With Silly Goose, you won't have to choose from a standard package. You'll own digital copies of your images so you can have the flexibility to customize prints for yourself & your family.

CLOTHING TIPS

- Simple patterns, solid colors & neutral fabrics like denim are versatile & timeless
- Select colors that bring out your child's eyes
- If children want to dress themselves that morning - it's ok! Part of documenting children as they grow is capturing those moments along the way. It's all part of the memory held in each photo.
- Think about details. We will capture tiny shoes and adorable bows!

WHAT HAPPENS AFTER PICTURE DAY?

We're excited to share these special moments with you. Your photos will be ready 4-6 weeks from picture day. When they're ready, your school will send you a link where you can see the images online, place orders & download the digital files.

We strive to make viewing & obtaining your images a simple, streamlined process. We're here to help! If at any point you have questions you can reach us at hello@sillygoosephoto.com
